Price hike of steel

153. SHRI S. ANBALAGAN: Will the Minister of STEEL be pleased to state:

(a) whether the Government is aware of the continuous increase in price of steel which is detrimental to house construction effects of the people;

(b) if so, the price fixing mechanism for steel and extent to which the price of the steel increased during each of the last six months; and

(c) the steps being taken by Government to stabilize the price of steel?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL (SHRI JITIN PRASADA): (a) Price of steel across all categories in the domestic as well as the internatinoal markets witnessed an uptrend since January, 2008 onwards. However, a number of fiscal and administrative measures timely taken by the Government, as mentioned below in reply to part (c) of the question, helped in stabilizing the steel prices in the domestic market. The effect of rise in price of steel on construction is limited and varies depending upon the type, the size and the qualtiy of construction.

(b) Steel is a deregulated sector and steel prices are determined by the market based on factors like demand and supply situation, landed cost of imports, input costs and price and availability of substitutes etc. The details of price movement of representative categories of steel products on monthly basis during the last six months in the retails market of Delhi is given in the Statement. *(see below)*

(c) The steps taken by the Government to stabilize steel prices in the country are as follows:—

- DEPB on steel products withdrawn ***w.e.f.*** 27.3.08.
- Import Duty on all non-alloy steel, Zinc, ferro-alloys and metcoke revised to 'Nil' from 5%, ***w.e.f.*** 29.4.08 CVED on TMT bars and rounds modified to 'Nil' from 14%.
- Export Duty @ 15% imposed on 10.5.08 in Pig Iron, Sponge, Iron, Scrap, Ingots and all categories of non-alloy semi finished steel still continues.
- Export Duty @ 10% was imposed on long products such as bars, wire rods, angles *etc.*, on 10.5.08. This war later revised to 15% ***w.e.f. 13.6.08.***
- Ad-valorem export duty of 15% imposed on iron ore of all categories and grades.
